1. Explain the histology of GIT

Major coats	Parts	Description
Mucosa	Lining epithelium	
	Lamina propria	
	Muscularis mucosae	
Sub-mucosa		
Muscularis externa	Inner circular layer	
	Outer longitudinal	
Serosa		

2. Briefly describe the histology of stomach

Major coats	Parts	Description
Mucosa	Lining epithelium	
	Lamina propria	
	Muscularis mucosae	
Sub-mucosa		
Muscularis externa	Inner circular layer	
	Middle oblique layer	
	Outer longitudinal	
Serosa		

Academy Of Health Sciences, Lodhran

3. Explain the histology of the small intestine

Major coats	Parts	Description
Mucosa	Lining epithelium	
	Lamina propria	
	Muscularis mucosae	
Sub-mucosa		
Muscularis externa	Inner circular layer	
	Outer longitudinal	
Serosa		

4. Explain the histology of large intestine

Major coats	Parts	Description
Mucosa	Lining epithelium	
	Lamina propria	
	Muscularis mucosae	
Sub-mucosa		
Muscularis externa	Inner circular layer	
	Outer longitudinal	
Serosa
