Introduction:

		T. pallidum	Brucella
Morphology	Shape		
	Arrangement		
	Capsule		
	Motility		
	Spores		
Growth requirements	Oxygen		
	pH		
	Temperature		
	Energy source		
	Others		
Culture medias			
Antigens			
Toxins			
Enzymes			

Academy Of Health Sciences, Lodhran

Diseases and diagnosis

		T. pallidum	Brucella
Pathogenesis			
Diseases			
Lab diagnosis	Specimen		
	Microscopy		
	Culture		
	Identification		
	Sensitivity		
Treatment			
Vaccination			

Important notes:
